PLANNING PROJECT MANAGER

**EDUCATION**

**Masters Work in Architecture**

University of Colorado at Denver

**Bachelor of Environmental Design**

University of Colorado Boulder

**German Architectural Studies**

University of Regensburg, University of Munich and University of Stuttgart

**PROFESSIONAL EXPERIENCE**

Ms. McGee is a certified planning professional with extensive planning experience, having worked with a number of Colorado counties, municipalities, and special districts. She has an in-depth knowledge of best practice planning methods and extensive experience in the interpretation of land use code for development review, zoning, and subdivision applications. Since joining RGA, Ms. McGee has provided on-call development review services for several jurisdictions, including:

- La Plata County
- Town of Buena Vista
- Town of Poncha Springs
- Town of Grand Lake
- Town of Larkspur
- Town of Lochbuie
- Town of Palmer Lake
- City of Brush!
- City of Leadville

**EMPLOYMENT HISTORY**

- *City of Greenwood Village, Colorado.* Planning Manager for the City's land use entitlement processes; liaison with Planning Commission, Board of Adjustment, and metropolitan district interface; management of long-range planning and current planning staff, including code enforcement and development engineering functions; work redrafting the Land Use Development Codes and Comprehensive Plan.
- *Reutzel & Associates, LLC.* Project Director for land use law firm with real estate entitlements and planning oversight on development cases and codes.
- *City of Aurora, Colorado.* Project Manager in the Office of Development Assistance (ODA). Managed annexation and land use development reviews with applicants developing in the city. Provided oversight and coordination through the City Manager's office with city departments (Planning, Engineering, Building, Utilities, Transportation, Real Properties, Life Safety/fire).
- *The Transit Expert.* Transportation Planner, prepared transportation planning documents, presentation graphics and maps, Community Sustainability Assessments, and assisted with funding and network design of transit services.
- *Peak Investments Corporation.* Vice President for Planning, managed entitlement process applications and FDIC construction status and assessments.
- *City of Steamboat Springs, Colorado.* Acting Planning Director, managed the planning department for the city, development review, Comprehensive Plan Update, and the Recreational Trail Plan.
